# ST. PAUL'S CHURCH, DUNANY

Coming up the Dunany Road from Lachute, just past the Gore West Road, you pass over the rise of a hill and there before you in the vale is Dunany's picturesque little Church. If it is around 8 o'clock on a Sunday evening in the summer, you will find it surrounded by cars. The Service of Evensong will be taking place and you may catch Hugh McCracken's beat as he plays the organ. The Congregation cannot resist it and the Hymn singing is lusty. There is no question that in Dunany, the Church is a landmark and that Dunany residents have a very sentimental attachment to it. In latter years many young couples, with Dunany connections, have chosen it as the place in which to "plight their troth". In the lovely peaceful graveyard, stones of recent cottagers intermingle with those of old settlers. All have become part of the history of this little Church which is now 111 years old.

## THE HISTORY OF ST. PAUL'S CHURCH

The history of St. Paul's is inextricably interwoven with that of Holy Trinity in Lakefield, since the Minister of that Church historically served St. John's in Shrewsbury, St. Paul's in Dunany and later St. Aidan's in Louisa. Most of the early settlers in this area belonged to the Anglican Church. The Diocese of Montreal's records are the source of a vast store of information on Births, Marriages and Deaths in this Community. They are almost the only records of the earliest years and it is through them and the writings of visiting Bishops and Missionaries that we have some idea of how the early settlers lived.

In 1985, Louise Johnston, Editor of the Lachute Watchman, compiled and edited a history of Holy Trinity Church in Lakefield to mark its 165th Anniversary, called "Chronicles of a Country Church". This is a particularly lovely memorial and from it have been taken any references to the Dunany Church. Reference has also been made to the tribute to St. John's Church, Shrewsbury, on its 125th Anniversary, written in 1983 by Kathleen Morrison of the Glen. The dates and records of St. Paul's are remarkably similar to those of St. John's.

Mrs. Lebens, Archivist of the Diocese of Montreal, has been most helpful, giving access to the Records of Lakefield Parish, the Register of Services at St. Paul's (1913-1955), and the Vestry Minutes Book (1895-1950). She also provided copies of correspondence in the St. Paul's file, and copies of references to St. Paul's in the Canadian Churchman. Copies of the Deeds, also on file in Diocesan Archives, were obtained from the Registry Office in Lachute. Dorothy Gauley's notes have also been most valuable.

St. Paul's Cemetery graves, prior to 1927 have been documented by Bob Alderson as a project of the Quebec Family History Society. During his visit to Dunany, Bob also visited the Evans graves near the old Evans farmhouse. Copies can be obtained from the OFHS office in Pointe Claire. Clarence Neill has supplied the names of unmarked graves.

In the course of the History of Dunany, there are many personal memories of St. Paul's. It was always a focal point in the life of the Dunany Community.

A census of church membership taken in 1891 in Gore township showed the large following of the Church of England in comparison with other denominations:

Roman Catholic:	17
Church of England:	3 14
Presbyterian:	16
Methodist:	177
Baptist	9

# THE BEGINNINGS OF THE CHURCH

Long before a Church was built in Dunany, the records show that Rectors of the Lakefield Church were ministering to the needs of the people of Dunany. The parish records from 1838-1854 were destroyed around 1892. One of the first entries in the subsequent Folio No. 1, is the burial of Frances Watchom in 1859. We know that she was buried on land later owned by Henry Neill, Clarence's father.

A letter written around 1860, describes some of the tribulations and the ultimate success of Rev. Joseph Griffin (1851-1864) in overcoming miserable living conditions, hostility and indifference. "It pleased God to bless his labours, and a numerous congregation was gathered in the centre of the mission, and five stations were opened at different outlying settlements." We can assume that one of these was at Dunany.

## THE DEEDS FOR ST. PAUL'S

In 1877, Bishop Oxenden appeared before a notary in Lachute with Robert Stephenson. Their intent was to accept a gift of land for the purpose of erecting a Church for the use of those belonging to the Church of England in that part of Argenteuil. (Deed No. 8615). This land in Lot No. 4, Range 1 of the Gore, was evidently not suitable, since in 1878, Robert Stephenson appeared again before the notary with Rev. L. Armstrong to make an exchange for two parcels of land: One for the Church and one for the Cemetery. This deed also included a right of passage between the two parcels of land. (Deed No. 8616).

Mr. Gmtton Thompson acquired the old Stephenson property and in 1949, he made a further donation of land to the Church (Deed No. 41998). After Mr. Thompson's death, when the land was to be sold by the Estate, there was some questioning of the original Lot Number. A mistake had been made and legal advice was sought. On Oct. 25, 1974, Bishop Kenneth Maguire signed an "Authorization of Correction".

## THE BUILDING OF THE CHURCH

In 1878, the Church was built under the aegis of Rev. Armstrong. In 1910, at the time of the Consecration, William Smith of Gore and John Evans of St. Jerusalem, both attested that they had been part of the Building Committee. The Cemetery was first used then also. The oldest gravestone is that of Matthew Hammond, who died Sept. 1879, aged 24.

## THE CONSECRATION

In 1909, St. Paul's was visited by a Bishop for the first time. A petition of Consecration of the Church was drawn up, "to be presented to the Bishop on his approaching visit." (Minutes of July 25, 1910). On July 29, 1910, the Church and graveyard were consecrated by Bishop John Farthing. A copy of the Sentence and Decree of the Consecration of St. Paul's Church, Dunany, and of the Burial Ground, written in Bishop Farthing's hand-writing is amongst documents in the Archives.

At the same time, the Bishop confirmed and ratified Deed No. 8616, notarized in 1883, (but without a Bishop's presence) "in every respect and that the properties, pieces, or parcels of land therein mentioned were accepted and had been in the possession of the Church since."

# SAMPLING OF MINUTES FROM VESTRY MEETINGS 1894-1987

Vestry meetings were usually held in the spring. Minutes began in 1895 when a register was bought. This was no doubt at the urging of Rev. A. E. Mount, who served from 1894-1899. During the incumbency of Rev. Mount, improvements were made to the Church The Chancel was carpeted (cost of carpet \$1.44), and an organ was bought and paid for. Lamps were supplied and the horseshed was bought and paid for.

THE FIRST MEETING: May 25,1895

The Annual Vestry Meeting in connection with St. Paul's Church, was held May 25, 1895. Rev. A. E. Mount in the Chair. The meeting opened with prayer. Minutes read by Mr. George Smith, Minister's Warden.

Moved by Wm. Smith, seconded by Wm. Conlin that Mr. Jos. McClusky be appointed Peoples' Warden. Carried. Moved by Wm. Smith, s. by Mr. Jos. McClusky, 'That all who have dead in the Cemetery be asked to supply eight boards each to help repair the fencing.'

<b>Receipts for the year:</b>	<b>\$6.86</b>
<b>Expenses: Insurance</b>	<b>\$6.00</b>
<b>Register</b>	<b>.50</b>
<b>Balance</b>	<b>\$ .36</b>

Moved by Mr. WmSmith, s. by Mr. Wm. Conlin that Mr. Jos. McClusky be appointed Delegate to Synod. Carried. A hearty vote of thanks was then tendered Mr. Wm. Smith for attending to fires etc.

MOTIONS IN THE MINUTES: **(and some other pertinent matters):**

1896- That Mr. F. Gain be given \$1.75 for repairing fence. He to supply nails and boards. It was agreed to pay Wm. Conlin 75 cents for sawing and piling the firewood

1897- That all available Vestry funds be used towards paying for the shingles for the horseshed. A hearty vote of thanks to be passed to Mrs. Wm. Conlin (Rachel Neill) for her faithful interest in and care of the Church Building.

1898- Report on the encouraging state of ~~finances~~. Moved that each man willing to do his share towards shingling the horseshed be asked to give a day and should this leave the shingling unfinished, the remainder be done by contract. Mrs. WmConlin and family thanked for kind and faithful offices in connection with keeping the Church warm and clean. Also, that in future, she receive the sum of \$2.00 in payment for her services.

1899 - Finances a little in arrears. Moved that Wardens be given authority to have board fence around Church repaired and if necessary to call for a special collection to aid in meeting the expense.

1900- Rev. L. Foulkes. \$40.00 donated for Hymn Books. Church in need of repairs. Foundation at East end having given way, it was decided to hold several entertainments. \$20.00 was raised towards this end. Archdeacon Mills preached sermon and said he was pleased to see "work done so well, and to hear that the bills was settled". Moved that Mr. Conlin look after Church and provide wood for the sum of \$4.00/year. That the graveyard be fenced. Carried.

1902- Moved that gates be procured for the Churchyard and we provide wood for the Church. Mr. Wm. Conlin \$2.00 for the lighting of fires.

1904 - No Incumbent, stormy weather, offerings small.

1905- Rev. A.E. Mount returned. Repair Fund \$11.05. Expenses for Repairs \$4.35. Stipend in arrears for two years at \$20.00/year. Those present promised to give for stipend as follows: Mr. Wm. Smith, \$5.00, Mr. Geo. Smith, \$3.00, Mr. John Evans, \$4.00, Mr. RStephenson \$2.00, Mr. W. Conlin, \$2.00.

1906- Special Meeting. Arrears \$1.58. Only \$7.00 paid into stipend account. Considerable discussion arose regarding the placing of a fence in front of the Church, but nothing practical resulted.

1907- Moved that one-half of insurance premium be taken from General Expense Account and half from Church Repair Account Discussion on fact that members had put down their names for subscription to stipend fund and had not fulfilled their obligations. The Incumbent strongly expressed the opinion that many would contribute most cheerfully if only they were called upon by a collector. (See Visiting List, 1907).

1908 Oct. 18- Owing to unprecedented storms, Dunany was completely cut off from intercourse with Lakefield so that quite often the Clergyman was unable to possibly get through the impassible roads of the winters of '07 and '08. It was no fault of the Incumbent that the Vestry meeting could not be held near Easter 1908, nor indeed of the people either. The meeting most despondent about Guarantee to Synod and impossibility of raising \$50.00 per annum. Mrs. Conlin appointed Sexton.

1910- Rev. Wm. Garner. Rev. Allan Mount to Bedford. July 25, No meeting since Oct. 19, 1908. Dunany in arrears. The year 1909 closed with only \$7.00 of agreement having been met, \$8.00 being left as debit balance. Arrears to be met in 1910. Wardens George and William Smith signed guarantees for \$5.00 and \$20.00, half their guarantee for 1908.

Services held fortnightly with fair congregations. Quarterly administration of Holy Communion. Petition of Consecration of Church prepared. To be presented to the 'Bishop on his approaching visit, "The Church of St Paul, though erected and paid for in 1878 has not been Consecrated, and only once, in 1909, been visited by a Bishop."

Nov. 10 - Emergency Meeting at Mr. Wm. Smith's. Moved that Wardens forward \$23.00 to Synod immediately, and that a system of quarterly collection with envelopes be distributed by Incumbent. He to use any means he feels best to insure punctual payment quarterly to Synod of \$5.00. Mrs. Conlin to be paid for cleaning and heating the Church, \$8.00, said sum covering the past three years. Wardens to arrange to heat and maintain cleanliness of Church. Sum in hand earmarked "Building Fund" be appropriated to cover cost of Church Consecration.

Adherents and promised contributiona Wm. Smith, \$6.00, Geo. Smith, \$4.00, Jim Evans, Robert Copeland, \$2.00, Duncan MacDougall, \$2.00, Wm. Parker, \$2.00, Stewart Boyd, \$1.00, Wm. Gain, R. Gain, \$1.00, R. Stevenson, Jas. Boyd, J.Murphy \$1.00:

1913- Mr. James Morrison elected Peoples' Warden on resignation of Mr. Wm. Smith. Repairs to the Church and Shed.

1917- Rev. A. H. Lupton. No Incumbent for two years. Mr. Wm. Smith to fix fence so that cattle cannot get into Cemetery. Mr.' Smith to attend to heating etc. of Church during cold weather. Balance on Hand \$3.76. (1915) offerings to date \$25.60, Expenses \$5.83. Balance of Guarantee Fund \$2.00. Mr. Wm. Smith spoke of the desirability of exchanging a portion of the Cemetery which has not been used for another portion to the north of the western end of the present enclosure. As the existing enclosure is consecrated, nothing definite accrued.

1918- First Vestry Meeting recording presence of womerr Mrs. Stewart Boyd, and Mrs. Lupton. Moved that the graveyard fence be fixed and letters written to people living elsewhere who had relatives buried here and who did not help in anyway. They would be asked for a subscription towards a Maintainance fund to keep the graveyard fence in good order. It was thought to be scarcely right to dig graves without consulting the Wardens. Thanks were expressed to Mr. James Morrison for his untiring interest in the Church life of this place.

Rev. Lupton said that the interior appearance of the Church could be improved by having vitrophane placed on east and west windows, the Communion rails cut so as to allow a gateway to the centre; a better organ to replace the one in use, which needed much repairs. Also that we have our own "Communion Service". Also the bell fixed to give the time of service. This suggestion was not agreed to however.

1919- Present: Venerable Archdeacon Robinson, Rev. A. H. Lupton.

Open Offerings \$48.07. plus balance \$11.99. This was the most prosperous year, financially, in the history of the Church. The Incumbent urged that the Church be reroofed and vestry or vestries provided Outside woodwork to be painted to replace the coat of paint put on originally when the Church was built in the year 1878. Also that the brickwork at the northwest corner be attended to in a proper manner, as the whole corner was giving way, and the bricks were loose. The organ, purchased during the winter, was not at all satisfactory and was to be returned to Willis of Montreal.

The Incumbent desired that mention be made in the Minutes of the possession by this Congregation of a silver-plated Communion set, and a fair white linen Cloth, and a Corporal. The Communion Set consisting of Chalice, Paten, and large Dish, the whole set, together with the linen, obtained as a gift from the Parish of St. Paul's, Abbottsford. The Archdeacon then spoke of the joining of St. Aidan's, Louisa, with this present Mission, and of the desirability of the stipend guarantee being sent in a little earlier in the year than was the custom.

Rev, AH Lupton and his wife arrived June 3, 1917, immediately after his ordination. His Incumbency lasted three years, less one month and he reported that he and his wife had a busy life in which all ~~expenses~~ had been paid and all improvements paid for. He also reported on the following improvements and additions to St. Paul's:

A new shingle roof replaced the shingle roof which had done service during all the time since the Church had been built in 1878. Total Cost \$43.00 and the free labour of the men of the Congregation. Vestries were put up and matching inside sheathing of the Church. Total cost about \$60.00. A Communion Table was made and given by Mr. Nat Copeland. A new Frontal and Cover for the Communion Table was obtained from the Church at St. Andrew's East by the Incumbent.

Mr. Lupton, in his final report wrote, "In closing, the Incumbent would suggest to his successors that the work at Dunany be more energetically maintained. It would not be encouraging for us, if the Presbyterians, or another Communion, opened up a Mission for the sake of the many Presbyterians (and others) who are building residences around the Lakes, but who are very sympathetic with our work there and can be relied upon for their interest and assistance in many ways."

**THE FIRST CONFIRMATION** in its history, took place at Dunany in 1919. The Candidates were Nat Boyd and Eva Chapman. St. Aidan's, Louisa, was attached to the Parish of Lakefield July 1919. A vote of thanks was proposed by Mr. Nelson Morrison to Mr. James Morrison for his work and interest in the Church.

1950-73. The Minute Book for these years has not been located.

1963- Mr. and Mrs. A. Straessle gave a new bell, specially forged in England and weighing 250 pounds. (To this day, it is rung before each service.)

# CANON BAUGH

Canon Baugh ministered to St Paul's for thirty years, from 1936-46. He was a remarkable man and had a profound effect on those with whom he came in contact. He was kindly, but he could say some outrageous things. Stories about him are legendary. Above all, he was dedicated, indomitable and courageous, determined against all odds to bring the Gospel to his parish. He was an excellent preacher with well-prepared Sermons.

He was fortunate to have good health. He needed it, and stamina, to travel the back roads by horse and buggy in all weathers. He was comfortable with rich and poor. Although extremely well-read, there was an earthiness about him which made him an excellent rural priest.

He was very sincere in his worship, but sometimes his eye would be caught by something, or some thought would pop into his mind, which he would interject into the Service. Sometimes it was hard not to laugh, and everyone knows, if you start giggling in Church, it is very difficult to stop. Margaret Everson Campbell remembers this agony when she was part of an informal girl choir in the forties. It included any of her friends who were visiting, and Dorothy Sutherland, Betty Hodgson and Ruth Brennan. Mrs. Everson was very concerned that Margaret and her friends should behave properly, and that their motives for attending Church should not be questioned.

Keith Morrison remembers one Service in Shrewsbury when Canon Baugh would periodically say "Shoo-shoo" towards the back of the Church. Upon turning around, they discovered that Canon Baugh's horse was loose and cropping the flowers around the Church steps.

Mrs. Baugh was a dear soul, always ready to help her husband. If ever the Organist was not available, she would readily fill in.

## Oldest Active Anglican Serves Four Churches

### Retire? Bah! Snorts Canon Baugh

By GLORIA Stieger  
Star Staff Reporter

LAKESHORE — Rev. Canon C. W. P. Baugh will have 92 on Monday — and the problem has been to find time to arrange it.

Tomorrow, Canada's oldest active Anglican clergyman has to take four services in his rural parish near here and, as most of his large family must be at work Monday, the formalities were finally arranged for today.

The four-service operation is normal procedure for this high-spirited, energetic nonagenarian; he's been doing it since — well a long time.

Not only that, but he has a full schedule of christenings, weddings and funerals and on just about any weekday morning he can be seen driving about his four-church parish, visiting the faithful in their homes.

"Get a car," someone said three years ago and he grudgingly sold his horse and did so. "Faster," is his assessment now, "but a lot more expensive" — especially as he has to hire a chauffeur.

Canon Baugh's charge includes the communities of Lakeshore where he lives, Shrewsbury, Dunnany and Louisa — all within a radius of about 25 miles from this Laurentian centre. His son, Rev. Horace Baugh, attends to the needs of three parishes centred on Morris Heights.

Mrs. Baugh plays at Canon's services

Canon Baugh has lived in Lakeshore for 30 years — Present in a house facing Holy Trinity Church. This weathered stone church, built seven years before it has

an electric organ.

The latter is the gift of a wealthy Vancouver man who was baptized by Canon Baugh. And it is especially fitting because Mrs. Baugh, a mere 82 some time ago found manipulating the pump organs so common to small country churches about more than she can manage.

Canon Baugh was born in England and studied at Bishops College in Lincolnshire. He came to Canada in 1905 and the next year was ordained. He has three brothers, Horace and William, who received charges in the Diocese of Niagara.

It goes without saying that the Canon doesn't believe in retirement and he's keeping a wary eye on a General Synod resolution that clergymen will be considered to have done so at 70. "This has to be confirmed. It all depends on the bishop," he says.

Meanwhile, he's proud of the fact he's never taken a vacation and has missed preaching on only Shout four Sundays because of illness.

Six of the Canon's seven children are still alive and he has 15 grandchildren and two great-grandchildren were to be at Lakeshore for today's celebrations.

Then? Back to work of course.

On hope the bishops will mullover that retirement ruling for a long time.

He de&mined to be a Priest when he was very young, and applied at the Diocesan College when he was 15, and was accepted when he was sixteen and a half. Asked if he had been influenced by his father, he replied, "Undoubtedly, my father influenced me, but it was a Presbyterian Minister in Valleyfield, who seemed to me, at the time, to be the greatest force behind my choice." Two of Canon Baugh's other sons, Howard & John Baugh, relieved him on occasion.

He also dedicated a Hymn Board given by Mr. Nelson Morrison, and a pair of brass Vases, given by Mrs. Patterson, wife of Dr. Patterson."

Rev. Horace Baugh recalls that he went with his father to the Art Gallery in Montreal where they made stained-glass windows. The man in charge told them, " We have six heads for St. Paul, the other part of the window does not matter so much, but the head is important". Canon Baugh said, "Horace, you figure it out." Horace says that the expression on the face helped him make his choice. (And a fine one it was too. As a Congregation we are fortunate to have this outstanding window of the Patron Saint of St. Paul's).
